

## 8th Annual Broadcast Allocations Training Seminar

V-Soft Communications is once again offering its broadcast software/engineering training seminar in conjunction with the NAB Radio Show in Washington, DC. This intense one and three-quarter day seminar is scheduled immediately before the NAB Radio Show, September 28-29, at the Morrison-Clark Inn, 1015 L Street NW, Washington, DC. This beautiful, historic hotel is located 5 blocks from the Grand Hyatt, home of the NAB Radio Show. For your convenience V-Soft has reserved a block of rooms at the Morrison-Clark Inn specifically for training attendees. A discounted room rate of \$199 per night is available if you book your room in this block. Call 1-800-332-7898 for reservations.

Many participants have returned year after year to refresh their knowledge base and learn how to use new program features. Depending on the interests of the participants, the focus of the seminar may be shifted to meet the needs of the attendees and may include dividing into interest groups.

The engineering studies to be covered will use the following software:

**Probe 4™**  
**FMCommander™**  
**AM-Pro2™**  
**Microwave Pro™**  
**SearchTV™**

And other V-Soft Communications products

The cost is \$950 for both days and includes breakfast and lunch. An early bird discount of \$100 is available for registrations received before June 23rd, 2010.

Training instructors will include:

Doug Vernier, President  
John Gray, Director of Research and Development  
Kate English, Technical Consultant

2007 Las Vegas Training Seminar

2009 Philadelphia Training
